OVERVIEW

Shield your hair from humidity and protect your style with this waterproofing potion. The formula will leave your hair feeling silky smooth, shiny & healthy. Silsoft CLX-E is a speciality silicone which restores hydrophobicity of the hair strands, to protect from humidity and restore damaged hair to health. Silsoft CLX-E also has other benefits such as conditioning, repairing split ends, reducing drying time of hair, making it perfect for pre-blow dry. Silsoft Q improves both wet & dry combing, softens the hair and provides a shine. Sensicare® C 2090 is a natural preservative which provides product protection. Sabowax EL-H 40 acts as a solubiliser to ensure the solubility of fragrance & preservative.
